WELCOME BACK!!

The PTA is planning some really fun events for this school year starting with the Ice Cream Social and first PTA meeting on Monday, Sept. 8th at 6pm. Come have some ice cream and learn about what our PTA does for the students and how you can get involved. There will be representatives from each committee at tables in the great room, followed by a short meeting. I'm looking forward to meeting everyone and having an awesome year! Kara Vos, PTA President

JOIN THE PTA!

PTA membership is \$7 per individual and \$14 for the family. Your membership includes a school directory, which is a great way to connect with classmates!

FUN RUN!

The Oak Ridge Fun Run will be October 9th. The event will take place during the school day. More information will be coming home soon!

GREEN TEAM VOLUNTEERS NEEDED!

The Green Team Committee is looking for volunteers for various events throughout the year. Additionally, we are in need of volunteers for **lunchroom recyclers from 11:30 to 1:00 Monday through Friday.** Any volunteer who has any time to donate (including substitutions) is welcome and appreciated. Interested volunteers can contact Joanna Chapman at joannadressler@gmail.com or Johanna Kononen at jkononen@gmail.com.

OAK RIDGE DIRECTORY

The Oak Ridge Student Directory is a great resource! It contains class lists, phone numbers, addresses, staff lists, committee chair contact info, and much more. It is great for contacting people for play dates and parties! This Directory is handed out as a benefit of PTA membership, but you do not have to join to be included in it. Look for the Directory Form in your child's Friday folder. Even if you already submitted a PTA membership form please fill the Directory form out and return to school by September 20th (this form allows you to include/exclude the info you would like in the directory). Thank you! Questions? Contact Rachel Forsyth (rachfor@gmail.com) or Michelle Watson (m2watson@aol.com).

ALLERGY AWARENESS COMMITTEE

If anyone is interested in being part of the Allergy Awareness Committee please contact Elizabeth Mulheisen at elizabeth.mulheisen@gmail.com.

ALLERGY AWARENESS

REMINDER - All Oak Ridge PTA meetings and school events are nut free (no peanuts, hazelnuts, pecans, walnuts, almonds, etc.) If you are chairing an event and have volunteers baking, purchasing or otherwise providing food items, please make sure everyone is aware that nothing that is bought, baked or provided can have nuts as an ingredient or with a "may contain" nuts statement on the label. This is the official policy for our school and includes the entire school grounds and any event hosted or supervised by our school or PTA, including field trips, end-of-year school picnics, and classroom holiday parties. Room parents, please keep this in mind. Thank you!

OAK RIDGE SCHOOL GARDEN

Take a walk through the school garden and check out the many interesting plants! The garden is located behind the school by the great room. A BIG thanks to all of the families who helped water the garden and the flower barrels this summer.

Thank You: Angela Almas, Emilie Aubuchon, Denise Barion, Becky Bibbs, Trish Donaldson, Kathy Guest, Marti Herman, Jen Hughes, Kathleen London, and Elizabeth Mulheisen.
